THE ACCIDENT INSURANCE COMPAN
Head Office, 103 St. Francois Xavier Stree
SIR A. T. GALT, PRESIDENT. EDWARD RAW
JOHN RANKIN, ESQ., VICE-PRES.

SURETYSHIP!

PRIVATE SURETYSHIP

Is a most dangerous, onerous and delicate relationship, and one which there is now no need to be asked for on the one hand, or granted on the other. It is, therefore, surprising that so many persons, who, probably, have their families to provide for, still consent to be responsible for Bank, Government Officers and others, so rendering the provision which should be for their families, liable to be swept away by another man's defaults.

THE CANADA GUARANTEE COMPANY

makes the granting of Suretyship its special business, and its Bonds are readily accepted by the Dominion and Local Governments, and the Banks, Railways, Boards of Trade, and Commercial Institutions generally throughout the Dominion, in place of private Bonds.

This Company is not mixed up with any other business.

The capital and funds are solely for the security of those who hold its bonds.

There is, therefore, NO EXCUSE for any employee to continue to hold his friends under such serious liabilities, as, if he be a reputable person, he can at once relieve them, and be, as it were, SURETY FOR HIMSELF, by the payment of a trifling annual sum to this Company.

It has made the full deposit required by Government of **$50,000,** for the special protection of its bond-holders.

The Wooden Carpeting has proved by its durability that it is the cheapest covering for Kitchens, Offices, Stores, Banks, Halls, Schools, Laundries, Dining and Sitting Rooms, or Border for Drawing Rooms, and where care is taken it can be made to look nice as long as it lasts, which in Private Houses would be as long as an ordinary HARD WOOD FLOOR, or at least ten times as long as the best ENGLISH OIL CLOTH. The great advantage of these Floors is that they are Insect and Dust Proof, can be laid over any Floor without disturbing the arrangement of the room materially, such as the Door Sills, Hearth Stones, or Register, being but ¼ inch thick. The wood is glued on Heavy Cotton Drill, and can be shipped to any point, as it is portable and rolls up like Oil Cloth.

The Plain Floor laid complete costs $2.50 per yard; or, with more Elaborate Style, with Fancy Borders, Initials, Monograms, Inscriptions, Centre Pieces, and Wainscoats for Walls, from one-quarter inch to one inch thick, at from 40 Cents to $1.00 per square foot, finished.

THE ADVENT OF A STAR.

On the night of the 12th of May, 1866, a star of between the first and second magnitude, suddenly made its appearance in the constellation Corona Borealis. It began from its first appearance to diminish in brightness, so that on the 16th of May it was only of the fourth magnitude, and at the end of the month it became a star of the ninth magnitude. The astronomer Huygens has advanced the hypothesis that this star had previously existed in the place where it was first seen, and that it became visible in consequence of some internal convulsion. Messrs Meyer and Klein, on the other hand, have maintained that the sudden blazing out of the star may have been occasioned by the precipitation of a planet upon a fixed star. But the most extraordinary fact remains to be stated. It took three years for the light of this new-found star to reach us; so that the sudden outblaze mentioned above really took place before the spectrum analysis, to which we are indebted for an examination of this light, had come into the service of astronomers.

GRAY'S

SYRUP

—OF—

RED SPRUCE

GUM.

This Syrup is highly recommended for Coughs, Colds, Asthma, Bronchial and Throat Affections.

When Jacques Cartier first ascended the St. Lawrence, the remedy in daily use by the Indians, and upon which they relied for the cure of various complaints, was the clear gum exuding from the Red Spruce Trees (*Abies Rubra*), which, when mixed with Maple Sugar, was given in the form of a confection. The early French settlers, noticing its beneficial effects in curing pulmonary complaints, quickly adopted it as a household remedy, and it is highly prized by them up to the present day. The settlers, however, take the gum dissolved in high-wines, by which means many of its peculiar virtues are lost. In this Syrup a large quantity of gum is held in complete solution, and being prepared at a low temperature, all the *Balsamic*, *Soothing*, *Expectorant* and *Tonic* properties of the remedy are preserved.

This preparation is a *bona-fide* SYRUP OF RED SPRUCE GUM. It is not only recommended as a remedy of remarkable power in the above complaints, but its Balsamic, Soothing, Anti-Spasmodic, and Expectorant properties make it a most valuable addition to the Cod Liver Oil Treatment of Consumptives.

White fish or salmon trout are not to be taken by any means between the 12th November and 1st December; nor by means of any kind of seine between 30th May and 1st August. The main channel, or course of any stream, must at all times be kept open, and no nets shall be so used as to obstruct the passage of fish in any river, bay, or creek, to and from their breeding places. The Local Fishery Overseers are instructed to enforce these enactments.

The following is the new Game Act in the Province of Ontario, giving the season when game may be killed:—

Deer, moose, elk, reindeer, or cariboo, from the 1st day of September to the 30th day of November inclusive.

To impose and levy upon all gas companies doing business in the city of Montreal an annual tax not to exceed five thousand dollars; and no other tax or assessment can be imposed upon all such companies, save and except such as may be imposed on the immovable property of all such companies: but in no case shall the city of Montreal be held as having the right to impose a tax or assessment on the pipes laid in the streets.

"The assessors in assessing real property in the said city shall take as the base of their assessment the actual value of such property at the time of making the assessment; they shall moreover specify and include in the assessment roll the *bona fide* rent of such property; and if the same be occupied by, or in the possession of the owner thereof, the assessors shall determine the rent of such property, according to the amount at which, in their judgment, the said property might be rented, or ought to produce, if it were rented."

CITY POSTAL DELIVERY.

The following are arrangements in connection with Free Postal Delivery in the City of Montreal:

1. There are no fees chargeable on the delivery of Letters or Papers.

Queen, Fire & Life, Insurance Co.—A. Mackenzie Forbes, General Agent, St. James Street, Montreal.

Mangles, Wringers, Washers, Iron Bedsteads, Spring Beds, Mattresses, &c.—L. J. A. Surveyer, 524 Craig St.

2. There are six deliveries daily, Sundays excepted, in the Central portions of the City, commencing respectively at 8.00 a.m., 11.00 a.m., 12.00 noon, 1.00 p.m., 2.00 p.m., and 3.00 p.m., and four deliveries in the other portions of the City, commencing at 8.30 a.m., 11.30 a.m., 1.30 p.m., and 3.30 p.m.; excepting, however, in the more distant divisions in the Northern and Eastern portions of the City, in which there are only two deliveries, commencing at 8.30 a.m. and 1.30 p.m.

3. Letters and papers addressed to particular streets and numbers are delivered without delay by Letter Carrier.

4. Letters and papers addressed to Box and Drawer-holders are, until otherwise ordered, delivered through the Boxes and Drawers, as usual. Should, however, such letters and papers be addressed to Streets and Numbers, they will be delivered by Letter Carrier, unless the Sorting Clerk should distinctly and promptly remember that the parties for whom intended are Box and Drawer holders. No letters or papers are placed in the Boxes or Drawers unless addressed either to the number of the Box or Drawer, or to the holder, or to the care of the holder thereof.

5. Letters and papers addressed simply "Montreal," to parties who have neither Boxes or Drawers, are delivered as expeditiously as circumstances will permit, either through the General Delivery or by Letter Carrier. If papers and periodicals published in the city are addressed to Box or Drawer-holders in the Montreal Post Office they will be delivered if pre-paid by postage stamp, one cent. each package of four ounces. Papers or periodicals published in the city are not delivered by Letter Carriers.

6. Persons desirous of receiving their letters and papers promptly by Letter Carrier, should request their correspondents to place on the addresses the Street and Number at which they are to be delivered, as otherwise they will be subject to delays, which it is impossible to avoid.

7. They should also provide themselves with small change for the payment of unpaid postage, as the Carriers (who are not allowed to give credit) cannot be detained for its collection. In the event of an unpaid letter or paper not being delivered in consequence of the party to whom addressed having no change, it will be taken back to the Office and sent out again for delivery as soon thereafter as practicable. If, on its being tendered a second time, the party to whom addressed is not provided with the postage, it will be sent to the General Delivery at the Head Office, where application for it will have to be made.

8. Persons having offices at which they desire their letters and papers to be delivered by Letter Carrier, should affix a letter box to the door, with an opening from the outside, as otherwise, in case the office is closed, the letters and papers will be delayed until the next delivery. It would also be very desirable that, where convenient, letter boxes should be affixed to the doors of private residences.

CITY POSTAL DELIVERY.

The following are arrangements in connection with Free Postal Delivery in the City of Montreal:

1. There are no fees chargeable on the delivery of Letters or Papers.

Queen, Fire & Life, Insurance Co.—A. Mackenzie Forbes, General Agent, St. James Street, Montreal.

Mangles, Wringers, Washers, Iron Bedsteads, Spring Beds, Mattresses, &c.—L. J. A. Surveyer, 524 Craig St.

2. There are six deliveries daily, Sundays excepted, in the Central portions of the City, commencing respectively at 8.00 a.m., 11.00 a.m., 12.00 noon, 1.00 p.m., 2.00 p.m., and 3.00 p.m., and four deliveries in the other portions of the City, commencing at 8.30 a.m., 11.30 a.m., 1.30 p.m., and 3.30 p.m.; excepting, however, in the more distant divisions in the Northern and Eastern portions of the City, in which there are only two deliveries, commencing at 8.30 a.m. and 1.30 p.m.

3. Letters and papers addressed to particular streets and numbers are delivered without delay by Letter Carrier.

4. Letters and papers addressed to Box and Drawer-holders are, until otherwise ordered, delivered through the Boxes and Drawers, as usual. Should, however, such letters and papers be addressed to Streets and Numbers, they will be delivered by Letter Carrier, unless the Sorting Clerk should distinctly and promptly remember that the parties for whom intended are Box and Drawer holders. No letters or papers are placed in the Boxes or Drawers unless addressed either to the number of the Box or Drawer, or to the holder, or to the care of the holder thereof.

5. Letters and papers addressed simply "Montreal," to parties who have neither Boxes or Drawers, are delivered as expeditiously as circumstances will permit, either through the General Delivery or by Letter Carrier. If papers and periodicals published in the city are addressed to Box or Drawer-holders in the Montreal Post Office they will be delivered if pre-paid by postage stamp, one cent. each package of four ounces. Papers or periodicals published in the city are not delivered by Letter Carriers.

6. Persons desirous of receiving their letters and papers promptly by Letter Carrier, should request their correspondents to place on the addresses the Street and Number at which they are to be delivered, as otherwise they will be subject to delays, which it is impossible to avoid.

7. They should also provide themselves with small change for the payment of unpaid postage, as the Carriers (who are not allowed to give credit) cannot be detained for its collection. In the event of an unpaid letter or paper not being delivered in consequence of the party to whom addressed having no change, it will be taken back to the Office and sent out again for delivery as soon thereafter as practicable. If, on its being tendered a second time, the party to whom addressed is not provided with the postage, it will be sent to the General Delivery at the Head Office, where application for it will have to be made.

8. Persons having offices at which they desire their letters and papers to be delivered by Letter Carrier, should affix a letter box to the door, with an opening from the outside, as otherwise, in case the office is closed, the letters and papers will be delayed until the next delivery. It would also be very desirable that, where convenient, letter boxes should be affixed to the doors of private residences.

Transmission of Patterns and Samples within the Province of Canada.

Patterns or samples of merchandise, and goods for sale, may be posted in Canada, to be forwarded to any place within the Dominion, on pre-payment by postage stamp of a rate of one cent. per four ounces, under the following regulations :—

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of 1 cent. per four ounces is to be pre-paid by postage stamp,—and if such rate be not fully pre-paid by the stamps affixed, the package is to be rated with the deficient postage, and a fine of five cents in addition.

V.—Packets of samples or patterns may be registered on pre-payment by postage stamp of a registration fee of five cents in addition to the postage rate—and provided such packets be duly handed in to the Post Office for registration.

A registration receipt or certificate should always be obtained for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed 24 ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

Penal Clause.—The Act contains the following penal clauses: To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers, (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers), is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

Post Office Savings Bank.

1. The Post Office Savings Bank commenced operations in Ontario and Quebec on the 1st April, 1868.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed upon the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily during the ordinary hours of Post Office business, of any number of dollars, from $1 up to $300, the total amount which can be received from a depositor in any one year, except in cases to be specially authorized by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the payment by the Postmaster-General of money withdrawn by depositors.

6. Each depositor is supplied with a Pass Book, and the sums paid in, or withdrawn, are entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Postmaster-General will issue a cheque payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices, which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity, whenever paying in or drawing out deposits.

8. Interest at the rate of four per cent. per annum is allowed on deposits.

9. Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, nor for postage or communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will always be ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.
